

Congratulations on your poster being accepted for the XIX International Workshop on Chronic Lymphocytic Leukemia (iwCLL) to be held 17-20 September 2021. Below, you will find important information regarding poster dimensions and instructions about how to upload your poster.

If anything has changed and you will not be able to provide a poster, please let us know at your earliest convenience. The abstract cannot be withdrawn after August 23, 2021 and will appear in the meeting publications.

The authors will need to complete/update their profile information. The primary author will need to upload the poster and complete the optional audio portion.

Poster Guidelines

Requirements for Poster Upload

- Poster upload must be a PDF file at highest resolution possible
- The aspect ratio (ratio of width to height) should ideally be set to '16:9'
- One single page for your PDF file
- Fonts should be sans-serif (e.g., Arial, Calibri, etc.)
- Minimum font size should not be smaller than 6pt
- List the title, all authors, and author affiliations. Disclosure information is allowed but not required on the poster
- Please print one email address (of the presenter, the first author, or a coauthor) on your poster so that attendees can contact the abstract group with questions and comments

Optional

- An audio file may be recorded at the time that your poster is uploaded
- Follow the instructions on the platform to complete your recording
- Recordings may be deleted and restarted
- Recording time is limited to 5 minutes

Other Requirements

- All Authors should complete their profile information
- All Authors should complete the disclosures
- Optionally, all Authors should upload a biography and photo
- Please submit and upload your poster by **September 1st** to be included in the mobile

conference app for attendees.

- By uploading your poster, you are agreeing to have your poster and full-text abstract available on the mobile conference app and your abstract text only in an online journal supplement to be released before December 2021.
- You agree that the materials you provide to us for this activity have been developed by you. Because the materials may include a compilation of information that you select and arrange as relevant to the topic of your presentation, we understand that you may include information/data/graphics authored or developed by another. If so, please identify and properly reference them. As a reminder, your content should be based on best-available evidence and referenced to primary sources. You own, or have obtained permission to use, all information in your presentation, including, but not limited to, artwork, logos, photographs, illustrations, tables, figures, etc. published in a copyrighted book or journal.
- You are responsible for obtaining permission to use any copyrighted material in your presentation and for complying with relevant copyright laws. iwCLL/Bio Ascend has no role in, nor responsibility for, obtaining permissions regarding your presentation. In addition, you hereby license to iwCLL/Bio Ascend the right to reproduce your materials for this activity and to distribute copies of the materials to activity participants. iwCLL/Bio Ascend or the accredited provider for this activity shall hold copyright to the materials; however, iwCLL/Bio Ascend grants to you a royalty-free worldwide license to reproduce, distribute, and use your presentation for future purposes. You release iwCLL/Bio Ascend, and others authorized by iwCLL/Bio Ascend to use said materials, from any claims, liabilities, and expenses that you now have or may hereafter have by reason of such use.
- The abstract cannot be withdrawn after August 23, 2021 and will appear in the meeting publications.

Please contact us at iwCLL@bioascend.com for more information.
